COMPETITION TO DESIGN AND NAME OUR YOUTH CENTRE

Cromwell Youth Trust are running a competition - from **Monday 10th June to Friday 14th June** - that will provide youth the opportunity to design and enter a Name & Logo for our Youth Centre.

If our youth don't feel like designing their own they have the chance to select an option from five (5) pre-designed and named options.

More details will be made available soon.

June will also see our Youth Workers continuing to engage positively with our youth in schools and events that are run around the region.

There is a lot of work going on in the background in June that is keeping our Youth Workers busy to introduce new and exciting ventures over the next couple of months - we are extremely excited to announce these as soon as we have them set in concrete! Watch this space!

SHOUT OUT!

We would like to extend our THANKS to **Alexander McMillan Trust** for a recent grant towards a new vaccum cleaner & music speaker *(proudly shown off by the youth crew!)*

These items provide a clean, inviting, relaxed and fun environment for our young people to enjoy and we are extremely grateful for their support.

Thankyou to our Funders & Supporters
