

CROMWELL YOUTH TRUST | SEPTEMBER 2019

# HAPORI WHANUI

A MONTHLY NEWSLETTER FOR THE COMMUNITY

## Haere Mai!

Hello September - and hello to Spring. Can you believe that we had 'Winter' already?!? This weather has been quite incredible with these absolutely stunning days of blue sky and sun with a slight chill in the air definitely helping us feel pumped and making those long work hours worth it - especially with what is coming in just TWO days!

**Have you booked a table with friends and/or family at Amigos Cromwell this Wednesday 4th or Thursday 5th September?** Our youth are Taking Over Amigos Cromwell for some awesome reasons:

**1.** Our youth, who are a part of our Cooking Up a Storm Youth Development Programme, have developed some incredible cooking & life skills with a focus on experiential learning (learning by doing) with support of amazing local community members and businesses and are ready to be frontline of an operating restaurant and serve you, the customer.

and

**2.** This event serves as a much needed fundraiser for Cromwell Youth Trust were half of the portions of sales over the two nights are donated to our non profit registered charity with funds going directly back to the benefit of our young people throughout Cromwell & Bannockburn.

So get on the phone and give **Amigos Cromwell a call on (03) 445 8263** to book a table - please make sure you reference Cromwell Youth Trust when you book. We cannot wait to see you there!

In other news, August saw a very busy time that meant Rhys had to close The Hangout Youth Centre for a total of five (5) days - but this was due to some positive reasons, three (3) days were to ensure our Cooking Up a Storm programme operated, one (1) day was due to Rhys attending the Bluelight AGM in Taupo, and the final day was spending the day and evening in Alexandra promoting CYT at the 2019 Youth Expo! What is still incredible is that our foot traffic numbers are continuing to increase immensely - check out

Continuing some positive changes you may have noticed our logo above has been transformed to a colourful rainbow?!? that is because CYT have proudly taken the 'Pride Pledge' that means we have committed to all LGBTTQ+ people, especially our youth, with having the freedom to be safe, healthy and visible. **CYT will use our voice and influence to support visibility, safety, tolerance, love, diversity and inclusion of ALL young people.** We hope you enjoy the Winter Pride in Queenstown that began the other day and continues for the next week.

Enjoy our updates below and what we have done throughout August and what is coming up this September!

## community SHOUT OUT!

We would like to extend our THANKS to **Team Ledlenser** for their recent donation of an incredible \$3,364. This donation is incredible and will benefit our youth!
