

CROMWELL YOUTH TRUST | OCTOBER 2019

HAPORI WHANUI

A MONTHLY NEWSLETTER FOR THE COMMUNITY

Haere Mai!

Last month we began on an absolute high with our much anticipated 'Youth Take Over Amigos' event happening during the first week of September - and wow, it was amazing to see the community support for our youth and Cromwell Youth Trust. Over the two evenings our six (6) incredible youth, **Maddie, Zoe, Ben, Arlo, Mac & Joel served over 120 customers** - and not once did they drop anything! The only person who managed to knock over something was Rhys! We will find out the total result fundraised for our youth in the next month!

Thank you Amigos Cromwell.

This upcoming October we will be ending the month on an absolute high! With our **refurbishment** for 'The Hangout' Youth Centre taking centre stage and beginning the process of a complete transformation. From **Monday 23rd October, for approximately two weeks, we will be closed to initiate these changes.**

After six (6) months of extensive funding applications, meetings, emails and long days it is exciting to have been successful in our funding applications that are going towards, the ultimate goal, of increasing positive youth development and providing a safe, inviting space that aims to ultimately provide a feeling of a 'homely' environment for every young person who engages with our service.

We would like to extend a massive **thank you to the following funders**, acknowledged below, who have been extremely supportive of our vision and provided these much needed funds for this refurbishment for our youth - they include **Central Lakes Trust, Pub Charity, Otago Community Trust, Rotary Club of Cromwell & Foodstuffs South Island** - without whom we would not be able to achieve this for our youth.

In other October updates - we have now entered the **Spring Holidays!** We have spots still available (*as of writing this*) and if you want to register your child

Additionally, we have a new **Youth Development Programme** called 'Find Your Balance'. This programme will be commencing at the end of October for only four (4) days. The direction and goals of the programme are to establish a **strong and healthy body & mind for all those seniors** who will be taken on exams next month. More details are also below.

CYT look forward to showcasing our changes over the next month and we invite you to contact us if you feel your assistance could be utilised during these changes.
